

Your Benefits

1 Save time and money

2 Pays for itself after 17 hours*

3 Easy and flexible to use with automatic fold type selection

*Compared to folding in a copy shop

Automatic Office-Folder Martin Yale 1701

The high operating speed and the convenient, electronic adjustment of the fold types at the push of a button ensure economy and easy handling. The range of 7 folds will meet all folding requirements effectively.

This folder is recommended for a large quantity of outgoing mail and regular mailing activities in high print runs.

Automatic adjustment of the fold type by pushing a button on the display.
