Customs Requirements

Due to more stringent customs regulations across the world, all items containing goods or gifts sent outside the EU must include a fully completed CN22 or CN23 Customs Declaration. If using International Standard or International Economy untracked services an S10 barcode must also be applied. These adhesive labels are available to order from royalmail.com/maillsupplies

AIR MAIL stickers

International Standard items (except those posted in Northern Ireland that are bound for the Republic of Ireland) need an AIR MAIL sticker, or write 'BY AIR MAIL — PAR AVION' in the top left corner on the front of the item.

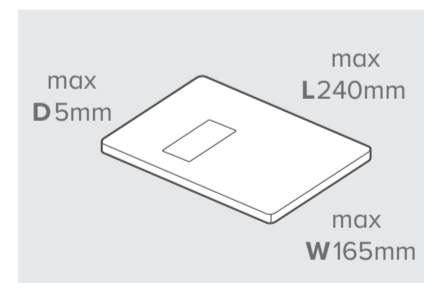

Correct postage

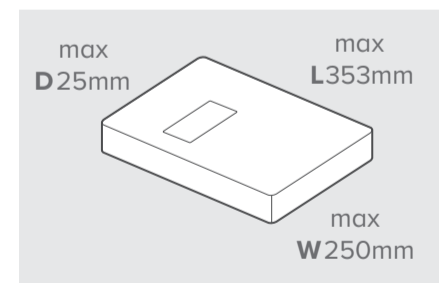

1st Class UK postage is not sufficient for posting to any overseas destination (including European countries like the Republic of Ireland).

Some restrictions apply to items sent abroad and these vary from country to country. To check current restrictions and international incidents visit: royalmail.com/international
